

NGOC YEN NGUYEN (Zen)

ENGLISH TEACHER

Highly dedicated English Teacher specializing in Early Childhood and Primary Education. Experienced in delivering engaging lessons for students aged 3-14 through interactive methods

With a student-centric approach, I have successfully taught English to young learners using diverse, engaging methods, including **music, storytelling, chants, and task-based activities.**

My passion lies in fostering a positive learning environment where children can confidently explore and master English through **interactive and joyful** experiences.

I am seeking to contribute my skills and passion to a leading educational institution focused on holistic child development.

PROFESSIONAL EXPERIENCE - VERY YOUNG LEARNERS

English Teacher for Kindergarten at NOVA CONCEPT

- **Delivered creative lessons** for children aged 1-6, integrating music, storytelling, and TPR (Total Physical Response) to build early language foundations.
- **Managed large groups** (20-25 children) in public settings, ensuring a safe, inclusive, and high-energy learning atmosphere.
- **Applied child-centric methods** tailored for nursery (żłobek) and preschool levels, focusing on sensory and play-based learning

Przedszkole Nr 370 "Orderu Uśmiechu" (Public Kindergarten)

Przedszkole Publiczne Edulica (Public Kindergarten)

Regulska 71 Nursery & Preschool

MAMAGU Żłobek & Klub Malucha (Nursery System)

English Teacher Assistant at Kids-Co international school chain (300+ hours)

- **Provided** over 300 hours of dynamic English instruction to young learners, with a strong focus on a child-centric approach.
- **Collaborated** with a team of educators to develop and refine lesson plans, ensuring alignment with the school's international curriculum standards.

PROFESSIONAL EXPERIENCE - YOUNG LEARNERS

English Language Teacher | LinguaKids Club & Enjoy School

- **Delivered tailored instruction** for classes ranging from 1-1 tutoring to small groups (8-10 students), focusing on phonics and conversational confidence.
- **Designed interactive curricula** for ages 6-12, integrating gamified learning and task-based activities to boost student engagement.
- **Assessed performance** and collaborated with parents to set academic goals, ensuring alignment with school curriculum standards.
